

Dear Parents and Caregivers

Families Leaving the School: If your child/ren will not be attending Yangebup in 2022, please let us know asap. It is vital for our planning of classes for next year that we have accurate numbers. Please call the front office and let Mrs Duffy know.

Interschool Athletics Carnival: Well done to our students representing our school at the Interschool Carnival last Friday. Their behaviour and sportsmanship was first rate. A great effort and result in team games showed students ability to collaborate and their team spirit.

Book Award Ceremony: Save the date: Thursday, 9th December, commencing at 9.15am. This date is a little earlier than previous years and will take place in the second last week of term. We invite all parents to come regardless of whether their child is receiving a book award as it also an opportunity to enjoy a little bit of entertainment from students, hear about the achievements the school has had over the year and say goodbye to departing staff.

Staffing and Classes for 2022: We are currently planning for 2022 and there are a few staff appointments still to be made. During this term we will also place students in classes and students will have the opportunity to go to their new class and meet next year's teacher on the last day of the year. We put a significant amount of time and thought into placing students in classes, however if there are any educational factors that you feel we should be aware of, please put this in an email and send to me by Friday 12th November. Please DO NOT request a particular teacher as these requests will not be considered.

Split Grade Classes and Class Placement for Students are two areas that parents have many questions about. By Monday, both of the school's policies regarding these will be on our website. Please have a look if you would like to know more. <https://www.yangebupps.wa.edu.au/policies>

Crazy Hair Day: Thank you to students (and parents) who got into the spirit of Crazy Hair Day and supported our Year 6s with a gold coin donation. We raised a wonderful total of \$340. Some of the hair styles were very creative and a lot of fun!

Professional Development Day: Today staff are reviewing our School Improvement Plan, analysing NAPLAN data and planning for 2022.

Toy Drive: We would love you to support the Toy Drive for needy WA children. Remember the toy needs to be new, worth about \$20 and suitable for ages 0-12. Please drop at the front office if you would like to contribute.

DAY

On Monday, 25th October the year 1's from Rooms 14 and 19 had an amazing day exploring sea life at Cicerello's.

Our day began with beach combing, where we hunted for all the things that had washed up onto the beach in the recent storms. We found sea urchins, big bunches of kelp, sea reeds that had been churned about and looked like big cocoons (they were amazing!) and soft corals. Unfortunately, we also found plastic bags, plastic spoons and all sorts of rubbish that should never be in the ocean. We talked about how rubbish harms the ocean habitat and the sea creatures.

The next part of our visit was super exciting with observations of the beautiful marine tanks, handling sea stars and a sea apple, and touching a giant lobster and a Port Jackson Shark named Jeffrey!

To top off our amazing morning, we all tucked into hot fish and chips (or chicken and chips!)

A big thank you to Mrs Cole, Mrs Gorham, Mr Barr and Mrs Mackenzie for helping to keep an eye on the troops! It has to be mentioned that the year 1's displayed exemplary behaviour for the entire day. The bus drivers couldn't believe how quiet we were on the bus, and the marine helpers at Cicerello's complimented the children on their beautiful behaviour. We all got certificates for a free ice-cream next time we go to Cicerello's.

What a wonderful day!

Mrs Cox

COLLECTION BOX LOCATION...

Please leave all toy donations
at the school office.
Thank you.

We have received some wonderful toys to donate to those children less fortunate than us, including a wonderful Woody doll from Toy Story. But we would love to donate more.....please help us achieve this.

As a school community we are now a

CONTAINERS FOR CHANGE

donation point for all your refundable containers.

What Containers can be saved? If your drink container has a 10c mark, bring it to the school and drop it in the BLUE BIN just inside the school entry gates. Make sure you take off the lids – these are recycled too, just separately.

All money raised will go directly back to the students of Yangebup PS
