From the Principal's Desk

Almost half way through our strange term already! It certainly has been a challenge.

I spoke with Gary Anderson, one of our Regional Executive Directors, on Friday. He asked me to pass on congratulations to all our school community for the smooth start to term 2 and the way our students quickly returned. He said Yangebup stood out for this. I have mentioned many times to our Regional Office what a great community we have both in and supporting our school. It is great to get this feedback.

For the rest of term 2 we will be continuing with social distancing and extra cleaning, as well as separate play areas. There will be no large group activities, assemblies or special events.

All students have returned to school which is great. Students can seek an exemption during COVID time if they have a medical condition or are living with someone with a medical condition that makes them at risk if they contract the virus. There is a process for this situation at Central Office. If you think you may need this, please ring me for the exemption form.

With regard to the school drop off and pickup, we would like to thank the school community for their cooperation in making this such a smooth process. We would also like to remind parents using the Kindy/PP to either park their vehicle or do a 'kiss and drop' through the driveway. Please do not block the driveway as this is the exit route for all vehicles.

Parents may not enter the school for the rest of term 2 so ring the office on 9395 3200 if you need anything or want to make an appointment to speak to a teacher over the phone.

Chris Boggin
Principal

School as normal on Friday 29th May for <u>all students</u>.

We **DO NOT** have a pupil free day like Lakelands SHS

Please make sure your child has their <u>water bottle</u> and <u>hat</u> everyday.

<u>No Shared Food</u>

Due to COVID-19 we are unable to let children bring cup cakes to school to share with their friends on their birthday.

Once this restriction is lifted we will advise all families.

Healthy WA – COVID-19 Information

Visit the Healthy WA website for up to date information on staying healthy.

Shark Week in the Library - Reading is Jawsome!

The shark books were

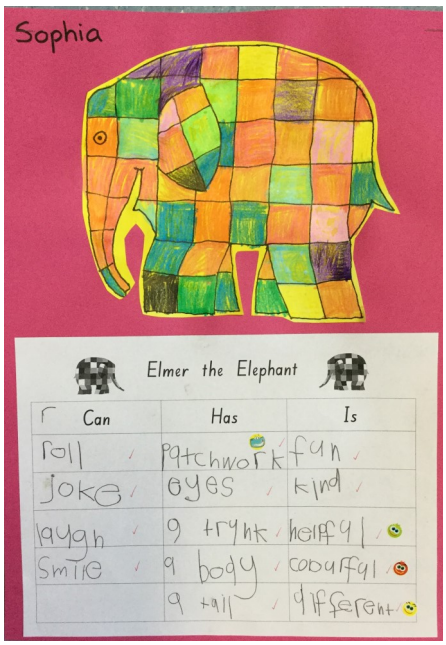
diving off the shelves this week as our students

'took a bite out of a good book'.

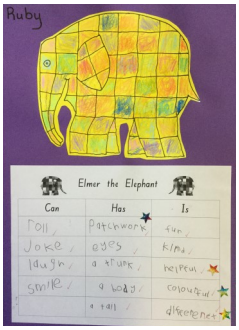
Room 4 have been discussing COVID-19 in their health lessons, and have created some awesome posters.

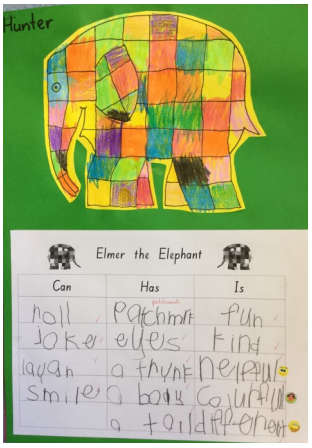
UNIFORM SHOP

Please place uniform orders through the Yangebup P&C Facebook page or email yangebuppandc@gmail.com . Once orders are paid they will be filled and delivered to your child's classroom.



The children of Pre Primary 2 have been busy learning all about elephants, and reading the Dreamtime Story on How the birds got their colours. Plus the beautiful colours of Autumn leaves.





CITY OF COCKBURN EVENTS

Online: Worm Farming Workshop 13 June 2020
https://events.ticketbooth.com.au/event/online-worm-farming-workshop-June

Learn how to turn your food scraps into valuable compost. This online workshop is only available to City of Cockburn residents. Worms are a great way to convert your kitchen waste into liquid fertiliser and castings that are great for plants. You will learn all about the art of worm farming from the experts at The Worm Shed in this one-hour online workshop delivered through Zoom.

Purchase a ticket today and we'll send you a link to sign up to the workshop - you can view it through your PC, phone or tablet and there will be plenty of opportunity to ask questions using our Q&A feature. You don't need a microphone or camera to view the workshop.

A printed copy of the template can be obtained by contacting the Cockburn Volunteer Resource Centre volunteering@cockburn.wa.au or phone 08 9411 3490.
