PRINCIPAL MRS CHRIS BOGGIN

ISSUE 15 - 26TH SEPTEMBER 2019

Term 4 commences **MONDAY 14th OCTOBER** for students.

From the Principal's Desk

Congratulations Yangebup on another fine Faction Carnival. Even though the weather was against us the students and staff worked together to achieve a great day. Huge thanks to all, especially Mrs. Faulkner. It was great to see students taking on organizational roles to assist the staff. Huge thanks also the parents and our P&C who made the occasion a true community event through their support. The P&C raised \$1,500, a great fundraising effort.

Term 3 was a very challenging term with so many staff absences. It was great to hear that the students carried on with their hard work despite many changes. I would like to thank all staff and especially our "Patchwork Admin Team" for their outstanding efforts. A special thanks to Mr. Barr for his tireless work in the Principal's chair and also Mrs Depiazzi, Mrs Faulkner and Miss Jones for taking on the challenging Administration workload while also teaching. I would also like to say how lucky we are to have such a great group of relief teachers (many of whom are old Yangebup staff) to step in when people are on leave.

Congratulations to our own **Kyle Martins** who has won a place in the state soft ball team. We are all very proud of you Kyle.

There are some important dates to remember.

Term ends on Friday the 27th of September.

Students return on Monday the 14th of October.

Monday is not a School Development Day as usual. The departure is a result of Yangebup aligning our school development days with Lakeland S.H.S so that families with children at both campuses have the same days that are pupil free.

Friday the 8th of November is the term 4 School Development Day.

Students do not attend on that day.

Finally, please take care to have a safe holiday. We have received some concerning reports from concerned community members about students on the road. We look forward to seeing everyone back safe and sound for the start of Term 4.

Chris Boggin
Principal

**Congratulations Red Faction,
Winners of the 2019 Faction Carnival.**

Faction Carnival 2019

Wowee what a day!

Mother Nature did not honour my request for beautiful weather again this year! I've already put the request in for next year. Thank you to all the parents and students that stayed the whole day in the weather—your support is greatly appreciated and showed great sportsmanship. Tabloids once again were a fantastic display of the whole school community getting together and having some fun. Thank you again to the wonderful P&C for feeding us all for the day, your support for our school is second to none. On Monday we held the jumps and throws events with great success. We had many helpers to make this work. Thank you to SEDA, year 5 & 6 students and Mrs Davies' kids for helping out. Without you all this day would not have run as smoothly as it did. Wednesday saw us host the tug-of-war heats and the year 1 & 2 finals. Unfortunately Mother Nature wasn't playing kind then either and we had to bring it forward to the morning. Thank you Mr Barr for hosting this event in my absence. Thank you all again for your cooperation and support for our faction carnival, it is a big day that many of our kids look forward to.

Inter School Athletics

Inter School Athletics training notes went home Tuesday afternoon. Please note there is a typo of when this note is due back. Please return notes to the front office by Friday 27th September. Training starts Week 1 term 4, if your child has not returned a training note they will not be permitted to train. Please read the notes carefully as there is important information on there regarding the selection criteria for inclusion in the squad. Inter school is on Monday 28th October and Thursday 31st October.

SIMMS music

On Friday 18th and 25th October 2019 Mrs Faulkner will be holding the SIMMS music aptitude test for those students in years 4 & 5 that are interested in attending group lessons on the Guitar in 2020.

If you would like your child to sit the aptitude test please have them put their name down on the expression of interest sheet in your child's classroom. Please be aware that these are the only two dates the music aptitude test will be offered. If you need any more information please email the school at yangebup.ps@education.wa.edu.au and Mrs Faulkner will be in touch.

Crunch After Lunch

On Friday 13th September we held the annual 'Great Vegie Crunch' and it was a huge Success. We were able to 'Crunch as loud as a Crocodile' which was pretty loud! Go team Yangebup. In the lead up to the 'Big Crunch' we had a mini competition in our classes. Everyday when the students brought in vegetables for crunch 'n' sip they were able to put a token in the draw. On Friday the teachers drew out names of those students who brought in vegetables. We had some fantastic prizes on offer from Crunch 'n' Sip and Nude Food Movers. Congratulations to all our winners.

*Congratulations to Sam Robson (Year 2),
our September Aussie of the Month recipient.*

P&C NEWS
